

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 2712 - SB 2584

February 28, 2020

SUMMARY OF BILL: Revises the conditions and requirements of a local board of education's progressive truancy intervention plan.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Pursuant to current law Tenn. Code Ann. § 49-6-3009, a progressive truancy plan has three tiers that must be implemented before any prescribed course of action may be deemed unsuccessful and student absences can subsequently be reported to an appropriate judge.
- The proposed legislation requires schoolwide, prevention-oriented supports to occur in tier one and moves the requirements previously in tier one to tier two; thus, local boards of education will be able to comply with the proposed legislation within existing resources.
- Local boards of education will be able to amend their policies in accordance with the provisions of this legislation during the normal course of business; therefore, any fiscal impact is estimated to be not significant.
- No impact to the Department of Education.
